

The latest safety technology ensures that every course is an unforgettable and carefree experience for you.

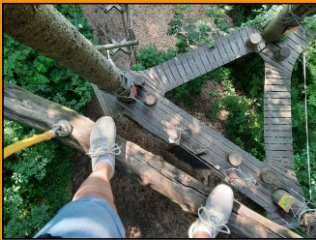

What you should know

**Children under the age of 14** can only climb **if accompanied by an adult** (one adult can accompany two children), children above the age of 14 are allowed to climb alone with the consent of the parent or guardian.

The **instructions and rules for the use of the SKYPARK epia Kletterwald** must be followed and read by every participant. Each participant receives a safety briefing and will be supervised by our trained staff. Should you still get stuck in one of the courses, our rescuers will be happy to help you. The courses and climbing equipment meet the highest safety standards and are TÜV-certified.

General Information

The courses of the Skypark epia Kletterwald are the climbing highlight of the Ostalb with a total length of 2.00 km! They are a must for every climbing enthusiast, but also offer amazing options for beginners, making sure everyone has an unforgettable experience.

You can put your skills to the test on 14 courses of varying difficulty and almost 160 different exercises. Up to 100 m of zip lines and a 12 m free fall are just two of the many highlights that await you. Thanks to the latest safety technology, the Smart Belay, it is practically impossible to unhook the belay completely by mistake. This ensures that every climber can climb through the courses safely and independently.

Our pub

After your climbing experience, you can choose to visit our pub terrace to enjoy a wide variety of hot and cold drinks as well as an amazing food menu.

Bouncy castle rental

Bring the fun to your party, celebration, company event ... with a bouncy castle, pirate ladder, soccer dart or climbing tower. **Contact us for further information, we will be happy to advice you.**
